

2022 Jeep® Compass **FACT SHEET**

The new 2022 Jeep® Compass breaks new ground in comfort and functionality, with premium styling and craftsmanship inside and out. Jeep Compass provides customers legendary 4x4 capability, with a fuel-efficient powertrain, and new suspension tuning and upgraded steering that deliver superior on-road driving dynamics. The most technologically advanced Jeep Compass ever introduces an array of advanced safety and security features, including a new available Highway Assist semi-autonomous driving system (late availability), parallel and perpendicular park assist and traffic sign recognition systems, plus a 360-degree surround view camera. Standard safety and security features now on all trims include Full-Speed Forward Collision Warning with Active Braking, Pedestrian/Cyclist Automatic Emergency Braking, Active Lane Management, Blind-spot Monitoring and Rear Cross Path detection systems. Next-generation technologies now offered on Compass include an available 10.25-inch frameless full-color thin-film transistor (TFT) digital cluster – one of the largest in the segment, an 8.4-inch (largest standard entry-level touchscreen in its class) and a new 10.1-inch digital infotainment touchscreen, the new five-times faster Uconnect 5 with standard wireless Apple CarPlay and Android Auto and an available wireless charging pad.

New for 2022

- An all-new Compass Latitude LUX trim debuts to deliver consumers a new level of comfort, luxury and safety, combined with legendary Jeep 4x4 capability. Features include heated leather front seats, leather-wrapped heated steering wheel, eight-way power driver seat with two-way power lumbar adjustment, auto-dim rearview mirror, 7-inch full-color cluster, 10.1-inch digital touchscreen radio, remote start and security alarm
- Modern, technologically advanced cabin that features ample storage, comfort and attention to craftsmanship:
 - Available 10.25-inch frameless full-color TFT digital cluster – one of the largest in its segment
 - 8.4-inch (standard on Sport and Latitude) and 10.1-inch (standard on Latitude LUX, Trailhawk and Limited) high-definition digital touchscreens
 - Redesigned, elevated center console with modern switches, greater storage space and added amenities, including an available wireless device charging pad
 - Sleek dashboard with modern, handcrafted materials and new slim HVAC vents
 - Black and Steel Grey interior with Sepia wrapped accents on Limited
 - Available heated rear seats (a Compass first) and universal garage door opener

- Modern exterior design provides distinguished new looks that celebrate both on-road sophistication and off-road grit:
 - New front fascia designs with slim headlamps and advanced LED lighting
 - Updated Jeep signature seven-slot grille with new textures and accents
 - Signature red and black anti-glare hood decal on Trailhawk
 - Available Gloss Black painted front and rear lower fascias on Limited
 - Body-color painted front and rear fascias and side flares on High Altitude
 - All-new wheel designs up to 19 inches
 - Available hands-free, foot-activated power liftgate
- Advanced safety and next-generation technology includes:
 - Active Lane Management, Full-Speed Forward Collision Warning with Active Braking, Pedestrian/Cyclist Automatic Emergency Braking, Blind-spot Monitoring and Rear Cross Path detection systems now standard on all models
 - 360-degree surround view camera system
 - Available Highway Assist system (late availability)
 - Available Parallel and Perpendicular Park Assist and Traffic Sign Recognition systems
 - Next-generation Uconnect 5 system with 8.4-inch and 10.1-inch digital displays, plus standard wireless Apple CarPlay and Android Auto

Highlights

- Jeep Compass features an enhanced exterior design that combines premium craftsmanship with iconic Jeep styling. The restyling of several signature components provides distinguished new looks that celebrate both on-road sophistication and off-road grit
- The latest and most advanced LED lighting technology is prominent and provides improved visibility on the 2022 Jeep Compass. New front LED reflector headlamps are standard on all models, while LED projector headlamps, LED fog lamps and new LED taillamps are available on Latitude LUX, Trailhawk and Limited
- For Limited models, an enhanced Elite Exterior Group appearance package now includes black painted front and rear lower fascias, along with LED projector headlamps, LED taillamps and 19-inch wheels

New 2022 Jeep Compass
