The new standard of sophistication, authenticity and modern mobility

The all-new 2022 Wagoneer and Grand Wagoneer offer powerful powertrain combinations with premium driving dynamics and composed capability. Grand Wagoneer models represent the epitome of American comfort and craftsmanship with an interior that exudes refinement, elegance and, for the first time ever, a spacious third row is standard with seating for up to eight available. Leading-edge technologies, including the most advanced Uconnect system ever, all-new head-up display, 360-degree surround view and night vision cameras, up to 190 cm (75-in.) of total screen surfaces and the industry's most premium McIntosh audio system offer an unmatched selection of premium interior features.

While Jeep broadly covers the North American mainstream SUV market, Wagoneer will significantly expand into the large SUV and premium spaces.

2022 Wagoneer: The rebirth of a premium American Icon

The all-new 2022 Wagoneer builds on almost three decades of rich heritage with premium American craftsmanship, heritage and refinement while offering a new level of comfort and legendary 4x4 capability. The 2022 Wagoneer Series I 4x4 offers a starting Canadian MSRP of \$69,995 (late availability).

Wagoneer models feature premium LED headlamps, fog lamps, taillights and signature daytime running lights, accent badging and a standard side step. Front tow hooks are incorporated into Wagoneer's front-end when equipped with the Heavy Duty Trailer Tow package. To protect critical vehicle components, the optional Advanced All Terrain Package on Wagoneer features four aluminum skid plates, including one for the lower front fascia, fuel tank, transfer case and front suspension. Available Quadra-Lift air suspension delivers up to 25 cm (10 in.) of ground clearance combined with

the Selec-Terrain traction management system instill Wagoneer with its legendary capability.

From the rear, LED taillamps stretch from the rear quarter panel to the liftgate achieving an upscale appearance. Unique “Series” badging on the liftgate showcases how a particular vehicle is configured in a subtle way. A Class IV hitch is integrated in the rear bumper and capable of towing up to 4,536 kilograms (10,000 lb.)

Standard 20-inch wheels or optional 22-inch wheels that are painted or polished are also available. A three-dimensional wheel cap highlighting the Wagoneer logo is suspended in acrylic.

A one-piece instrument panel accentuates the grandeur of the interior with a mid-bolster that gracefully integrates advanced technology and connectivity. The all-new 2022 Wagoneer features the latest, most advanced Uconnect system ever, with a 25.6 cm (10.1-in.) digital display and intuitive user experience. Wagoneer is available with 127 cm (50-in.) of total Digital Display screen area. Available on Wagoneer Series III, the McIntosh MX950 Entertainment System, a custom-tuned 19-speaker system, including a 25.4 cm (10-in.) subwoofer, are strategically placed throughout the interior, and powered by a 17 channel 950-watt amplifier. An available 25.7 cm (10.25-in.) passenger screen features three major functions: Co-Pilot (navigation, device management), entertainment (via HDMI or Rear Seat Entertainment control) and the ability to view the exterior vehicle cameras.

The all-new 2022 Wagoneer is powered by the 5.7-litre V-8 combining the muscle of 392 horsepower and 404 lb.-ft. of torque in a smooth, broad power band, enhanced with fuel-saving technologies that include variable camshaft timing and cylinder deactivation. Wagoneer is the first vehicle with the next generation eTorque hybrid system, which features enhancements to several fuel-saving features.

With standard seating for eight passengers on all models, Wagoneer models feature a spacious third-row – a first for the nameplate. Second-row captain’s chairs – another first time offering – are available on Wagoneer and offer more comfort and space than any other vehicle in the segment.

2022 Grand Wagoneer: Pinnacle of premium SUVs with a modern American style

The all-new 2022 Grand Wagoneer is inspired by modern, sophisticated and detail-oriented appointments crafted to exemplify American quality and personify prestige, success and intelligence. A unified focus on integrated opulence and technology delivers an innovative experience for each passenger. The 2022 Grand Wagoneer Series I offers a starting Canadian MSRP of \$100,995.

A modern interpretation of North American success creates a new timeless, iconic design. The legendary seven-slot grille hints at Grand Wagoneer’s family ties and features paint-over-chrome laser-etched grille rings, similar to a knurled finish seen on fine watches. Grand Wagoneer Series III

models feature raised aluminum badging with two-piece copperchino-accented letters that add to the refinement and highlights the attention to detail.

Grand Wagoneer models feature a two-tone black accent roof, distinctive hood, front-end, grille, unique premium LED lighting, fender flares and power retractable side-steps as standard equipment. A full suite of exterior LED lights with Dynamic Turn Signal — including premium LED headlamps, fog lamps and taillamps — amplifies the new aesthetic. Upon remote start, Grand Wagoneer's exterior LED lights subtly engages with an available full "welcome" sequence.

Front tow hooks are incorporated into Grand Wagoneer's front-end when equipped with the Heavy Duty Trailer Tow package.

From the rear, LED taillamps stretch from the rear quarter panel to the liftgate achieving an upscale appearance. Unique "Series" badging on the liftgate showcases how a particular vehicle is configured in a subtle way. A Class IV hitch is integrated in the rear bumper.

Grand Wagoneer models come standard on 20- or 22-inch aluminum wheels featuring a multitude of finishes and textures. A three-dimensional wheel cap highlighting the Wagoneer logo is suspended in acrylic.

While the original Grand Wagoneer famously featured an extensive use of wood on its exterior, the new Grand Wagoneer features genuine handcrafted Satin American Walnut wood in abundance on the interior. Sculpted Satin American Walnut wood was chosen both for its elegance and durability. Grand Wagoneer features the latest, most advanced Uconnect system ever, with a 12-in. digital display and intuitive user experience. An available 10.25-in. passenger screen features three major functions: Co-Pilot (navigation, device management), entertainment (via HDMI or Rear Seat Entertainment control) and the ability to view the exterior vehicle cameras.

Available on Grand Wagoneer Series II, standard on Grand Wagoneer Series III, the premium and exclusive McIntosh MX1375 Reference Entertainment System, which employs 23 specifically tuned speakers, including one of the highest performing 30.4 cm (12-in.) subwoofers in the industry, is powered by a 24-channel 1,375-watt amplifier.

The all-new 2022 Grand Wagoneer is powered by a 6.4-litre V-8 engine delivering 471 horsepower and 455 lb.-ft. of torque. Engineered to deliver class-leading V-8 performance and best-in-class towing capability, the plentiful low-end torque delivers in demanding conditions such as towing a boat or camper.

With seating for up to eight passengers on all models, Grand Wagoneer models feature a spacious third-row – a first for the nameplate. Second-row captain's chairs – another first time offering – are

standard on Grand Wagoneer and offer more comfort and space than any other vehicle in the segment.
